

# SOL Spirit of Light

## Deepening Training

Thursday 5th to Sunday 8th March 2015

In this year's SOL Deepening for Spirit of Light training graduates we will work with an ancient clearing technique to resolve inner conflict, unhelpful patterns and issues. You will be able to use this technique with clients or friends in many different ways and forms. It is adopted from the Buddhist lineage and extremely powerful. Some of you have worked with this technique in SOL Deepening before. We will also work with tyrant energies we might experience in our lives. Manipulative family members, aggressive colleagues or cunning neighbors might invoke guilt, shame or anger when they appear in our lives. We will learn how to deal with them and how to own these energies in our lives. This will allow us to step from a place of victim and helplessness into our own power.

As usual I am open to guidance, and the dynamic of the group will inform us as to what might need to be done and what other techniques we might be using.

I hope to see many of you for this new adventure
