

# The Language of Light

DIVE INTO THE REALMS OF ENERGY AND LIGHT

A Workshop for Women and Men

by Ghata

This is an invitation for everyone who wants to meet me and my work to come and journey with me into the higher energetic realms. It is also an opportunity for everyone to connect with the light within.

We will start with a guided meditation that opens a space for healing and exploration of the realms of light. There will be time to ask personal questions. I will be tuning in and using my guidance to receive answers and support individual healing. I am also open to talk a little about my journey if anyone is interested.

This afternoon is also an introduction to the Spirit of Light Training and Practitioner Training.

Come along to bathe in love and light and open to your own potential.
